

About the WLLA

Annually, the City of West Linn convenes the leadership academy for selected participants. Over the course of six meetings, participants receive in-depth training on City affairs; spend time together as a cohort; and grow their understanding of the West Linn community.

Participants are expected to attend each scheduled meeting. All curriculum materials will be provided by the City of West Linn. Participants will be selected by an independent panel of community leaders. It is anticipated that Leadership Academy graduates will seek leadership opportunities in West Linn.
